VIII/2) The Monitoring Committee

**approved the modification of the Interreg V-A SKHU Cooperation Programme** relating to COVID-19 outbreak with the following remarks:

According to the decision of the 11<sup>th</sup> Monitoring Committee Meeting (13 July 2020) the modification of the Interreg V-A SKHU Programme temporary increase of the co-financing rate to 100% in all priority axes was approved to alleviate the burden on Slovak and Hungarian national public budgets responding to the COVID-19 crisis. In addition to this providing more liquidity on programme account which can contribute to quicker and smoother programme implementation.

Co-financing rate of 100 % were applied to expenditure declared in payment applications during the accounting year starting 1 July 2020 and ending 30 June 2021. Based on the decision of the MC the Programme should initiate the necessary steps to set the EU co-financing rate back to 85%.
